

Sphero Mini Golf Challenge

Name..... Class

iPad Number

Group Number

Your challenge is to design a hole for the school Mini Golf course that can be navigated by a Sphero. Your team will need to consider the following steps when designing the course.

1. Research Mini Golf course design on the internet.
2. Discuss the elements needed for the design.
3. Design the hole on the worksheet (consider a theme for the hole).
4. Construct the hole using the materials provided.
5. As a class discuss the rules of the course and design a playing card.
6. Play the other teams design
